Highlights

- Experience snowtubing at Alberta's best tubing park.

It is time for a downhill thrill of a different kind. Whether you have never touched skis or a snowboard, or just want to try something different, snow tubing is a great way down the hill. Located just five minutes from the town of Banff, Mt. Norquay's Tube Park offers fresh mountain air, legendary views, and an easy adrenalin rush. Hit the slopes in a tube with 8 lanes of high-speed fun. The Tube Park is the largest in Alberta. Just take a seat, hold onto the handles, and get sliding. The purpose-built magic carpet towing system will pull you to the top of the specially groomed tubing lanes, so you don't need to walk up the hill after each ride.
