### DAY 2 – Kingston 90-minute 1,000 Island Discovery Cruise Tour and 1-hour Trolley City Tour.

Once upon a time patrolled by pirates and bootleggers, the 1000 Islands between Kingston and Brockville on the St. Lawrence are now a sightseer's paradise. You are as likely to discover historic castles, quaint waterfront villages and opulent vacation homes and rich wildlife. Our cruises offer clients the best view of it all. The cruise focuses on the history and waterfront of the city of Kingston, and its place at the beginning of the St. Lawrence River and the 1000 Islands region. Kingston is a UNESCO World Heritage Destination for its remarkable and well-preserved 19th-century defense fortifications.

The Island Belle and the Island Queen have commentary offered in six languages via headphones: English, French, German, Spanish, Japanese, and Mandarin. They have available on board a full-service bar, serving wine, cocktails & beer and a café which has a range of snacks and beverages.

On this trip, the Tour Guide provides an informative and engaging overview of Kingston's more than three hundred years of history. You will travel through Canada's first capital, passing historic landmarks and iconic tourist attractions.
