WHISTLER - RZR TOURS – WILDERNESS RIDE

Product Code: DM-YWSTAGRZRWR

Our 2 seat and 4 seat Polaris RZRs offer the ultimate in backcountry exploration. When compared to an ATV, a RZR offers more control and is easier to learn with a steering wheel and foot pedals for gas and brake. They offer more comfort with side-by-side bucket seats and more safety with a full seat belt and roll cage. No additional damage insurance fees.

Get ready to set your sights on some of Whistler's plentiful wildlife and enjoy the view as your guide skillfully leads you through old growth forests, around mountain lakes and into the backcountry for spectacular views of Whistler's mountains. This tour is ideal for the whole family!
