- 6 hours Soft Adventure Rafting on the Ottawa River

Get to experience the great Canadian river trip

Experience the great Canadian river trip – this is a travel-path forged by First Nations, traversed by fur traders since the 1600's and fostered by foresters at the turn of the last century. An introduction to whitewater is a full day natural roller coaster where you'll paddle as a team – your experienced guide steers from the stern – all you have to do is listen for directions, join in and have fun. This soft adventure trip descends 8 km of beautiful scenery and tumbling whitewater, interspersed with quiet pools where you get to body surf and float in the friendly warm waters. Following the raft trip, enjoy an included barbeque meal aboard a pontoon boat cruise that will take the group back to the departure point. Also included are life jacket, helmet, rafting video presentation of the trip in the OWL log pavilion, and use of all facilities at the OWL Resort (kayaks, canoes, Stand Up Paddleboards, beach volleyball, disc golf, sauna and hot showers.
