Flagship course of Quebec's amazing Mont Tremblant, Le Diable as the name suggests can be a golfing Hades for those that are not on their game! However, it can be Heaven-on-Earth as well for those that keep to the straight and narrow especially on a perfect Quebec summer day. Le Diable is located in the shadow of Mont Tremblant and the challenging downhill runs can be clearly seen from Le Diable's fairways. The course can be challenging with some of the largest bunkers in the entire world of golf.

Le Diable golf course brings you to its all-natural grass driving range. Warm-up before your round or work on your technique like nowhere else! Golf Tremblant's driving range includes a driving area for 65 players and bent grass target greens.
