DAY 1 – Calgary to Banff (129 Kms)

This morning arrive into Calgary International (YYC). After you have picked up your bags, proceed to the Car Rental office at YYC Airport. You will present the confirmation voucher along with your valid Driver's License and credit card to rent your pre-booked car.

Leaving Calgary behind, set your sights for the next few days on the magnificent Rockies with her treasure chest of craggy and forested mountain ranges, rivers, waterfalls, and emerald blue & green lakes. The landscape as you drive down the HWY 1 from Calgary to Banff is constantly transforming and offers some of the clearest markers of the very last Ice Age, and the creation of the Canadian Rockies. Quite possibly the most amazing vista you will realize on your way to Banff is that of the very Front Range of the Canadian Rockies. These jagged, rocky peaks tower high into the sky and offer your first welcome into the beautiful Rockies. Of them, the most iconic is Mt. Yamnuska, which means "a wall of rock" in the Nakoda language.

Upon arrival in Banff, you will check into your resort. Rest of the day free to discover this bustling resort town of Banff, the gateway to the Rockies.

Mt. Rundle and Mt. Cascade, part of the Rocky Mountains tower the skyline of Banff. Boutiques and restaurants mix with chateau-style hotels and souvenir shops on Banff Avenue, the main thoroughfare. The 6,500 square kilometres of parkland surrounding Banff is host to animals including elk and grizzly bears.

A visit to Lake Louise is like stepping into a picture post card. The turquoise color of the lake, the Victoria Glacier, soaring mountain backdrop, and the palatial Fairmont Chateau Lake Louise is what makes Lake Louise picture perfect.

Surrounded by a lifetime’s worth of jaw-dropping sights and adventures, Lake Louise is a rare place that must be experienced to be believed. The hamlet has long been a mecca for those seeking the outdoors and adventures. For those who are seeking something a little tame, rent a canoe at the Lake Louise Boathouse and enjoy canoeing on the lake.
