**Accommodations offered with bedding as follows:**

**Glamping** - Offering all the benefits of sleeping under the stars without having to rough it too much. Enjoy the intimacy of your own canvas tents, set up on wooden platform, each with two individual beds that have cozy duvets – slide them together to make a Queen. A short roll by cart transports your personal gear to the private spot overlooking the water = glamorous camping.

**Cabins** – Our cabins sleep 4 – 6 people in two double beds and two single top bunks. All cabins have electrical outlets. Please remember to bring your own bedding and pillows.

Washrooms are in a separate building, with private outdoor showers heated with solar!

**Cabañas** - Enjoy our waterfront suite with great views of the sunset and sunrise. Bedding is included as well as a basic en suite with a composting toilet and water basin. You are welcome to use our main washhouse facilities, which include sauna, private outdoor showers, and hot water sinks.
