
Equipment Rental

Notes:

- Cost per person in Canadian \$s
- Rates includes GST & Taxes.
- Upon arrival, guest will redeem their voucher in exchange for their rentals at the RMR Rental Shop, located in the same building as Guest Services.
- RENTALS are NON-REFUNDABLE once voucher has been redeemed at the Guest Services/Ticket Office and/or Rental Shop.
- It is policy that there is to be no outside guiding or instruction allowed on the mountain without a signed agreement between service provider and the interested party. Please note:
 - Teaching or guiding on the mountain goes directly against this policy and is grounds for removal of the ticket or pass and therefore the ticket or pass holder will be asked to leave the mountain.
 - For insurance purposes supplier will deny any statement of agreement between parties if there is not a signed agreement and therefore will not be held accountable in the case of a guest seeking compensation for injury or lack of service.
 - Service provider holds the right to deny access to the lifts to anyone that is believed to be teaching or guiding on the mountain without an agreement. It is always very open to ski tour and training camps working on the mountain, as long as a prior contract has been reached and payment has been confirmed.
- Contract terms include but are not limited to:
 - Guiding/Group fee of \$300 per day per group of 8 guests
 - Service provider will collect payment from the outside organization and then settle accounts with the interested party based on agreed upon terms.
 - Interested parties must seek out Third Party Liability Insurance with service provider named as a party in the amount of at least, but not limited to, \$5,000,000.
