Our main cottage and the adjoining two chalet suites come with docks, decks, a floating sauna and over 650 feet (200 meters) of shoreline. The cottage is designed to comfortably sleep up to 12 persons in our 6

bedrooms.

Days are filled lazing about the water's edge, sunbathing, paddling, and canoeing. Go fishing or spend your time with your family and friends in our floating sauna.

Unplug from it all.

Disconnect from your devices and connect with your loved ones. There is Wi-Fi available. However, cell phone service is limited. A telephone (land line) available a mere five-minute drive away at the outfitting office.

Canoes, Kayaks, Sups, Fishing

The cottage comes with two canoes, six paddles and six PFDs. Additional canoes, kayaks, SUP boards, and fishing rods/equipment can be rented.
