Driving Distance: 288 KM | 10 hours

Today you will leave the town of Banff to drive north to Jasper at the top of the Icefield Park. We recommend an early morning start so you have plenty of time to stop by at all the great viewing spots along the highway and you can escape the crowds at Lake Louise as the day progresses.

With the stops you will make enroute, it will take up your entire day, arriving at Jasper closer to dinner hour. Your first stop this morning will be at Lake Louise, a UNESCO World Heritage Site. The shimmering turquoise green waters of Lake Louise will leave you speechless.

It will be hard to tear away from the stunning beauty of Lake Louise. But, north along Icefields Parkway (Highway 93), a wide stretch of breath-taking country awaits you. Renowned for the Columbia Icefield off this Hwy, the parkway winds through green meadows and forested river valleys cradled by walls of dazzling peaks. You will frequently spot elk, moose, bighorn sheep, mountain goats, black and grizzly bears, wolf, or caribou.

You will see some interesting sights along the highway, such as, Bow Lake with majestic views of the Crowfoot Glacier, Saskatchewan River Crossing, Sunwapta River and Athabasca Falls.

We recommend a visit to the Columbia Icefield. Admissions to the world-famous Ice Explorer and Glacier Skywalk Experience at the Columbia Icefield should be pre-booked to avoid disappointment.

Overnight in Jasper, AB.

Day 10: Explore Jasper and Jasper National Park.

On the northernmost point on Hwy-93, Jasper is a small mountain town tucked away in the Jasper National Park. You can do two different tours of Jasper. A short leisurely drive that visits all the best locations that are close to the town. The second tour you can take is a longer drive to the best corners of the Park.

Closer to town, drive out to Pyramid and Patricia Lakes for some stunning views. Take a ride up onto Whistlers Mountain on the Jasper SkyTram and have a great chance of sharing excellent views with big horn sheep at the top of the stairs at Old Fort Point.

Further out, drive to the Maligne Lake for a Cruise to the Spirit Island. Enroute, stop to see the historic Jasper Park Lodge, Edith, and Annette Lakes. Pay a visit to the narrow and deep Maligne Canyon and the fast disappearing Medicine Lake. We recommend a Spirit Island Cruise. You must book ahead or you will be sorely disappointed.

If you still have time on hand, drive east to visit Miette Hot Springs for the hottest soak in the Rockies.
